President's Message

Dear AOMSI members and friends,

It is with great pleasure I take this opportunity to pen my sincere thanks to the entire team of Tamil Nadu AOMSI for their hardwork in conducting CMEs, and conducting forth coming conference in Madurai PACE 2020, under my presidency for last one year

When, I handover my mantle to the next incoming president, the activites will be hopefully doubled among members of organization to educate the members themselves in new trends in OMFS, Impart knowledge to post graduate trainees and contribute to the social commitment of education of disease prevention of dreaded oral diseases among public.

Clinical research should be actively pursued among members and trainees which will benefit the surgical fraternity and must be intended towards goal of benefitting the society for better clinical out comes.

I thank all members immensely for giving an opportunity to serve the organization and I do hope I did my best of capacity to perform duties bestowed upon me

Dr.R.Manikandhan

President, TNAOMSI

Secretary's Message

Dear members, friends and colleagues.

Warm new year greetings to you all. At the outset, I would like to congratulate the editor and his team for successfully bringing out the newsletter of our association.

Newsletters are meant to strengthen the existing relationships and create new ones amongst the members of the association. Our newsletter has been instrumental in establishing communication with all our fellow colleagues.

This year has been extremely productive for our association. We have conducted CDE programmes to impart knowledge to the budding dentists and surgeons. This is just the beginning of what we are to do in the coming years. We plan to conduct more such programmes to educate our community on the recent advancements in oral and maxillofacial surgery. At this juncture, I also extend a cordial welcome to the new members of our association and request our fellow members to encourage their students and colleagues to join our association and work together for our fraternity.

I take this opportunity to thank all my colleagues for the support throughout the year in organising all the events.

Dr. Jimson. S

Hon. State Secretary, AOMSI, TN & Puducherry branch

Editor's Message

Dear members,

I take great honour in penning this message. Here is the 3rd newsletter of Tamilnadu & Pondy chapter of AOMSI and the 1st newsletter of 2020. Our news letter covers all the activities of our Tamilnadu & Pondy chapter of AOMSI from CDEs, Awareness programmes, awardees to news regarding our association.

We are planning to include scientific material from the next edition. I want our members to send scientific contents on interesting cases, studies etc. Last newsletter was an e-copy and had 22 pages. I must thank the Co-Editor Dr. Vimalambiga for

helping and supporting me in bringing out the newsletters in flying colours. I must mention the constant encouragement by our Tamilnadu & Pondy chapter of AOMSI Secretary Dr Jimson in bringing out the newsletters and providing the required contents.

Looking forward to more support from our members

Dr. Kannan. R
Editor, TNAOMSI

President's Message

Dear Members Greetings.

Happy to write this message as a president to our state association newsletter, as I feel a part of it very much.

I can see that editor & team has put in immense effort in getting all the details to be published in the newsletter.

It is heartening to see the members across the state are doing AOMSI related activities spending their personal time.

It shows their love and commitment to the great profession they have chosen.

I wish all the members a happy, prosperous, successful, productive & soul satisfying year ahead.

I take this opportunity to wish the organising team of Madurai a grand success.

Dr.M.Veerabahu,
President, AOMSI

Secretary's Message

Dear members,

I am extremely happy and delighted to writing to you all fellow surgeons through the newsletter of the Tamil Nadu state chapter of the AOMSI.

It has indeed been an exciting year for us to see the AOMSI TN state branch successfully organise so many events for the welfare of the public as well as our fraternity. I must definitely congratulate all the members of the state branch for their tireless efforts and unparalleled coordination in executing the programmes. The state chapter had organised several CDE programmes covering various important topics. In addition, they have also initiated the 'Maxfax talk', a webinar that will connect surgeons all over the globe on one platform.

I also applaud the state chapter for laying the foundation of the 'Run for OMFS' marathon that has been conducted in all states in India to creating awareness about our fraternity.

My best wishes to the editor and his editorial team for putting together and bringing to us this remarkable newsletter and I shall be looking forward to the upcoming editions.

I also take this opportunity to congratulate the newly elected office bearers and wish them and the state chapter a great and triumphant year ahead.

Dr. Pritham N Shetty

Hon. General Secretary, AOMSI

INFLUENCE OF TECHNOLOGY IN TODAY'S PRACTICE OF MAXILLOFACIAL SURGERY

Technology is influencing the practice of Oral & Maxillofacial Surgery like never before. Invariably, it has led to better patient outcomes, enhanced patient safety but at the same time de-skilled the surgeon. The last bit can have a big influence in future training and education pathways.

After graduation, a surgeon needs to be constantly upgrading in terms of a sub specialty with further in training and education. Orthognathic surgery with Virtual surgery and Desktop printed surgical splints, Cancer diagnostics radiation technology such as Proton & Boron therapy and navigation surgery are a few examples of such newer technology which have to be understood and mastered by today's Maxillofacial surgeon. More important is to also understand that every new technology may have it's own drawbacks and hence benchmark it to conventional therapy. Here I am reminded of the Physician's prayer "With contempt for everything old and too much zeal for anything new, good Lord, deliver us".

Digital technology is now considered the Fourth Industrial Revolution with fusion of biological, physical and digital sciences. Most changes have been seen in maxillofacial implantology, maxillofacial prosthetics, orthognathic surgery and oncology. Combining cone beam CT data with CAD/CAM technology and virtual planning allows one to plan prosthetically driven implant placement. This leads to better bio mechanics for the implant prosthesis, less morbidity for the patient and more predictability for the rehabilitation. We have all seen the

struggle and multiple surgical procedures needed for re-constructing the external ear. 3D printing technology of body parts is certainly a much better alternative.

NANO technology for better graft materials, drug delivery systems etc is also a big boon for basic research. Pooling of data and using artificial intelligence will facilitate grouping of patients and may throw up results and patterns that are normally not discernable otherwise.

The worrying thing for more experienced surgeons will be the de-skilling of several procedures which is similar to all the technological disruptions happening with so many things in everyday life. The power of artificial intelligence, data mining, software disruptions and desktop printing have changed the way practice is done now. We need to embrace this change and adapt if we have to be relevant in today's world.

Advanced technology may also re-define ethical boundaries, but as surgeons and care providers we should never forget the central purpose of “putting patients first”.

Dr. GUNASEELAN RAJAN,
MBBS, BDS, FDSRCS (England), Ph.D.,
Medical Director
Rajan Dental Institute
Chennai.

LIFETIME ACHIEVEMENT AWARDS

Awards for lifetime achievements is being given to the pioneers in the field of Oral & Maxillofacial Surgery. This year **LIFE TIME ACHIEVEMENT IS AWARDED TO 4 TOWERING PERSONALITIES** who have taken the field to the next level in our state.

Dr. MIRZA F BAIG, M.D.S

B.D.S. - Madras Medical College, Graduated In 1962
M.D.S - in oral and Maxillofacial surgery (1975)

TEACHING EXPERIENCE

Under Graduate - 55 years
 Post Graduate - 43 years

Worked at different levels in India and is currently

PROFESSOR EMIRATES in SAVEETHA UNIVERSITY, Chennai.

Has passed 25 publications in reputed International and Indian journals.

Served as **President & Vice President** of AOMSI.

Received **LIFETIME ACHIEVEMENT AWARDS** from AOMSI & Saveetha University.

Has delivered Orations in many conference including **GIRWALA ORATION, Dr. AHMED ORATION** at All India Ida Conference.

Dr. K. VASUDEVAN MDS.

B.D.S. - Madras Medical College, Graduated In 1971
M.D.S - Madras Medical College, Graduated In 1977

GOLD MEDALIST

Served at TamilNadu Government Dental College as Professor & HOD and at Thai Moogambigai Dental College as Professor & Director.

Has more than 30 years of teaching experience.

LIFETIME ACHIEVEMENT AWARDS

Dr.VINOD NARAYANAN

Graduated with gold medals in Orthodontics, Periodontics and Oral Medicine from TamilNadu Dental College in 1986.

Completed Masters in same institute in 1991.

Attended several training courses of surgery in England, Scotland and Wales.

Completed FDSRCS in 1993 and MOMSRCPS (Glasgow)

Trained as Senior Registrar in the UK, examiner and course coordinator for MFDS in India.

Trained in robotic surgery at Hongkong.

Part of the prestigious AO foundation and AOCMF.

Dr.MAHALINGAM

B.D.S. - 1972

M.D.S - 1975

Joined service in 1977 and worked at different Medical Colleges across TamilNadu and retired as **Professor & HOD** from BALAJI DENTAL COLLEGE.

Served 3 times as **EC Member of AOMSI**

DR. C. K. DHANASEKARAN MEDAL EXAM

The Association of Oral & MaxilloFacial Surgeons of India, TamilNadu & Pondy Chapter is conducting a Medal Examination in the subject of Oral & MaxilloFacial Surgery for BDS & MDS every year since 2017. The Secretary of the state branch will call for the exams 2 months before the Annual State Conference.

Delegates who have completed Post Graduation in MaxilloFacial Surgery and the toppers in the subject of Oral Surgery in the Final year BDS in the current academic year (after the previous State Conference) are eligible to appear for the examination.

The examination will be conducted by an Examination Committee appointed by the State branch. The Winners are declared by the committee & will be awarded Gold Medal in the forecoming State Conference.

The Executive Committee of the Association of Oral & MaxilloFacial Surgeons of India, TamilNadu & Pondy Chapter, 2019 – 2020 has decided to name the Medal after **Dr. C. K. Dhanasekaran**, one of the stalwarts in the field and founder member of our Association and will be called as Dr. C. K. Dhanasekaran Medal from this year.

The Examination Committee for the current year 2019-2020 is headed by Dr. P. Sureshkumar with Dr. K. Arunkumar and Dr. Jaganbabu as its members, as appointed by the state body.

ESSAY WRITING - POST GRADUATE TRAINEE

The Executive Committee of the Association of Oral & MaxilloFacial Surgeons of India, TamilNadu & Pondy Chapter, 2019 – 2020 has decided to conduct an Essay Writing Competition for the Post Graduate Trainees from this year, 2019-2020.

Post Graduate Trainees in Oral & MaxilloFacial Surgery in any year from any of the Dental Colleges in TamilNadu and Puducherry are eligible to appear in the competition.

The Secretary of the state branch will call for the exams 2 months before the Annual State Conference. The Trainees will submit an Essay between 1500 – 200 words online in PDF format. The essays will be blinded and peer reviewed by an Education Committee appointed by the state body.

First three places will get a cash prize in the forecoming Annual State Conference and they will get to present their work in the conference.

The topic for this year's competition is the theme of this year's Annual State conference PACE 2020 “Problem based approach for clinical excellence in OMFS”.

DR. VINOD NARAYANAN MEMORIAL RESEARCHER AWARD

Executive Committee of the Association of Oral & MaxilloFacial Surgeons of India, TamilNadu & Pondy Chapter, 2019 – 2020 has introduced a memorial award to recognize outstanding and exemplary research work in the field of Oral & MaxilloFacial Surgery. The award is named after Late Dr. Vonod Narayanan who has made tremendous contributions in the field of Oral & MaxilloFacial Surgery.

The Association of Oral & MaxilloFacial Surgeons of India, TamilNadu & Pondy Chapter, will invite Applications/ Nominations 2 months in advance before the Annual State Conference. The Applicant should be a member of Association of Oral & MaxilloFacial Surgeons of India, TamilNadu & Pondy Chapter and the research should have been done in the preceding five years. Applicant, if not successful in the year of application can apply in the subsequent years to a maximum of 3 times. Winner cannot apply for the same research again.

A distinguished panel of 4 experts with 2 non-members from External source will nominate the winner following a stipulated criterion. The winner will receive a cash prize of Rs. 15,000/- in the forecoming Annual State Conference.

7TH LIVE SURGICAL WORKSHOP & STUDENT CONVENTION IN ORAL & MAXILLOFACIAL SURGERY IN TAGORE DENTAL COLLEGE & HOSPITAL

The program started at 8.30am with registration of the participants and delegates. The first surgical procedure commenced on the first day of program on 26.11.19 at 9.00am. The title of the procedure was “Surgical removal of Impacted Teeth”, by Dr.D.Prabhu Sankar. A live surgical demonstration of surgical removal of impacted mandibular molar tooth was demonstrated by

Dr.D.Prabhu Sankar and the surgical session was moderated by Dr.Deepak A. Pandyan and Dr.D.P.Uma Magesh.

Following the first live surgical procedure, a unique session “Next Gen” Session –

Introduction to International AOMS & Craniofacial Surgery was done to inspire the younger generation of students in the fraternity of Oral & Maxillofacial Surgery. Dr.DipeshRao, Craniofacial Fellow (Oxford University), John Radcliffe Hospital, Oxford UK addressed the students through the Online webcast and spoke about the ways in achieving an International identity. Following him, Dr.Praveen Ganesh N., Asst.Professor, Department of Plastic & Reconstructive Surgery, Saveetha Medical College & Hospital, Chennai spoke to the students about the hurdles in Craniomaxillofacial Surgery and how to encounter them.

After the "Next Gen" Session, the inauguration of the program was conducted between 11.15am to 11.45am. The inauguration program began with "Tamizh Thaaivaazhthu". Welcome Address given by Dr.B.Anandh, Reader, Department of Oral & Maxillofacial Surgery.

Dr.Chitraa R. Chandran, Principal, Tagore Dental College, Chief Guest Dr.M.Veerabahu, AOMSI – President, Dr.R.Manikandhan, AOMSI - Tamilnadu State Chapter President, Professor & Head of Department, AOMSI – Tamilnadu State Chapter Hon.State Secretary Dr.S.Jimson, Dr.Praveen GaneshN., Asst.Professor, Department of Plastic & Reconstructive Surgery, Saveetha Medical College & Hospital, Chennai lighted the kuthuvilakku.

Dr.Chitraa R. Chandran, Principal, Tagore Dental College gave a short introduction about the program and highlighted the benefits of Live Surgical Workshop and Student convention program. Chief guest of the day was Dr.R.Manikandhan, AOMSI – Tamilnadu State Chapter

OMFS DAY AWARENESS RALLY, CHENNAI

On the 13th of February this year, AOMSI observed Oral & Maxillofacial surgery day by conducting a rally and flash-mob in the Chennai metropolitan. Post Graduate Trainees, Consultants and interns from various city Dental colleges (GDC, SRM - Kattangulathur & Ramapuram, Meenakshi, Saveetha, Thai Moogambikai, Madha, Adhi Parasakthi, Ragas, Priyadarshini & Tagore) actively participated in making the event a great success.

The rally began at around 9:00am in the morning from the Rajaratinam Stadium. Print & Visual Media gathered and captured moments. The procession of young surgeons moved along the bank of South Cooum road carrying placards displaying harmful conditions and diverse spectrum of treatment modalities in the speciality involving the head and neck region and handing out pamphlets to the bystanders and passers-by along the way. The rally ended near Hotel Radisson Blu, Egmore an hour later. The participants were provided refreshments. Thanks to our very own AOMSI President Dr. Veerabahu for his participation as Chief Guest in the rally.

Thanks to

AOMSI, TN & Pondy President Dr. Manikandhan for his support.

To spread more awareness among the public, around 50 students gathered in the Alandur Metro station and began the flash mob around 4 PM. The participants enthralled the audience with their dance, who responded with loud cheer and

applause. The performance also included a skit which portrayed the consequences of failing to abide by the rules and regulations of Road Traffic. To end the act, a simple yet delightful routine was done. Students of SRM-Ramapuram and Tagore performed a skit on the damage done by drug and alcohol abuse on

young lives and families. The flash mob was later performed in the Chennai Central Metro station around 6:00 pm and attracted a huge audience. Students of GDC put forth a creative performance that brought spirits up in a very ordinary evening. Many commoners showed their interest in the spectacle while coming up with queries for a better understanding of the purpose behind the occasion. Some also added on their suggestions. The response towards this humble endeavour was very encouraging with more than 10,000 people witnessing the program for 45 minutes.

Members of our State Branch has been elected as members of the National body for the current term after winning elections at Bangalore National Conference in November 2019.

Congratulations!

Dr.M.Veerabahu,
President, AOMSI

FELLOWSHIP AFTER POST GRADUATIONS

The Association of Oral & MaxilloFacial Surgeons of India, national body has created a path for the members who have completed post Graduation in Oral & MaxilloFacial Surgery, by opening Fellowship centers across India in association with regional hospitals. fellowship programmes are offered in Trauma, Orthognathic Surgery and Oral Oncology. Members have to apply and have to undergo an examination and an interview conducted by a board appointed by the national body. The duration of the course is one year and the fellows get a stipend for the period.

Here is a list of Fellowship centers in 3 different fields of Oral & MaxilloFacial Surgery.

FELLOWSHIP CENTERS FOR ORTHOGNATHIC SURGERY

SL No	Name of the Course Director	Name of Institution/Hospital	Town/City
1	Dr. Philip Mathew	Jubilee Mission Medical College Hospital	Thrissur, Kerala
2	Dr. Mustafa K	Kanachur Hospital & Research Centre	Mangalore, Karnataka
3	Dr. Ummar	Almas Hospital	Kottakkal
4	Dr. Pramod Subhash	Cranio Maxillofacial Surgery, Amrita Institute of Medical Sciences	Kochi

FELLOWSHIP CENTERS FOR ORAL ONCOLOGY

SL No	Name of the Course Director	Name of Institution/Hospital	Town/City
1	Dr. Saidul Islam	Horizon Oral Cancer Centre	Kolkatta
2	Dr. Nirav Trivedi	SMC Hospital	Ahmedabad
3	Dr. Ravi Kannan	Cachar Cancer Hospital and Research Centre	Silchar, Assam
4	Dr. Ashok Mehta	BSES MG Hospital	Mumbai
5	Dr. Sudheesh Manoharan	MVR Cancer Centre & Research Institute	Calicut, Kerala
6	Dr Raj Nagarkar	HCG Manavata Cancer Center	Nasik

FELLOWSHIP CENTERS FOR TRAUMA

SL No	Name of the Course Director	Name of Institution/Hospital	Town/City
1	Dr. Binu Augustine	Rajagiri Hospital	Cochin, Kerala
2	Dr. Kannan Balaraman	Ganga Hospital	Coimbatore, TamilNadu
3	Dr. Manoj kumar Bhaskaran	Elite Mission Hospital	Thrissur, Kerala
4	Dr. Rahul K Thakkur	Shubhechha Multispecialty Hospital	Vadodara, Gujarat
5	Dr. Rajesh B Dhirwani	Hitkarini Dental College and Hospital	Jabalpur, Madhya Pradesh
6	Dr. Raja Sekhar G	Mamatha Dental College	Khammam, Telangana
7	Dr. Rohit Chandra	Max Hospital	Patparganj, Delhi
8	Dr. Senthil Kumar	Raja Rajeswari Nursing Home	Dindigul, Tamil Nadu
9	Dr. N. Venkadsalapathi	Hannah Joseph institute of Neuro Science	Madurai, Tamil Nadu
10	Dr. Virendra Singh	Post Graduate Institute of Dental Sciences	Rothak, Haryana
11	Dr. Anurag Bharagava	Global SNG Hospital	Indore, Madhya Pradesh
12	Dr. R V M Surya Rao Dr. Praveen Ganesh N	Saveetha Medical College and Hospital	Thandalam, Kancheepuram, Tamilnadu
