## **Non-Technical Skills for Surgeons (NoTSS)**

**February 2<sup>nd</sup>, 2025 (SUNDAY) | 11.00 AM IST**

**Virtual**

Non-technical skills for surgeons (NoTSS) highlight and develop the cognitive and social skills which underpin optimal surgical performance.

The NoTSS masterclasses originally developed and delivered by faculty at the Royal College of Surgeons of Edinburgh, have been proven to improve patient safety by reducing adverse events and serious incidents.

## **Aims & Objectives**

- To summarise the importance of non-technical skills and the benefit of NoTSS.
- To introduce models for the development of non-technical skills among oral and maxillofacial surgeons.
- To demonstrate the importance of NoTSS.
